WARNING: READ BEFORE USING YOUR PLAYSTATION®2 COMPUTER ENTERTAINMENT SYSTEM.

A very small percentage of individuals may experience epileptic seizures when exposed to certain light patterns or flashing lights. Exposure to certain patterns or backgrounds on a television screen or while playing video games, including games played on the PlayStation 2 console, may induce an epileptic seizure in these individuals. Certain conditions may induce previously undetected epileptic symptoms even in persons who have no history of prior seizures or epilepsy. If you, or anyone in your family, has an epileptic condition, consult your physician prior to playing. If you experience any of the following symptoms while playing a video game – dizziness, altered vision, eye or muscle twitches, loss of awareness, disorientation, any involuntary movement, or convulsions – IMMEDIATELY discontinue use and consult your physician before resuming play.

WARNING TO OWNERS OF PROJECTION TELEVISIONS:

Do not connect your PlayStation 2 console to a projection TV without first consulting the user manual for your projection TV, unless it is of the LCD type. Otherwise, it may permanently damage your TV screen.

USE OF UNAUTHORIZED PRODUCT:

The use of software or peripherals not authorized by Sony Computer Entertainment America may damage your console and/or invalidate your warranty. Only official or licensed peripherals should be used in the controller ports or memory card slots.

HANDLING YOUR PLAYSTATION 2 FORMAT DISC:

- This disc is intended for use only with PlayStation 2 consoles with the NTSC U/C designation.
- Do not bend it, crush it or submerge it in liquids.
- Do not leave it in direct sunlight or near a radiator or other source of heat.
- Be sure to take an occasional rest break during extended play.
- Keep this compact disc clean. Always hold the disc by the edges and keep it in its protective case when not in use. Clean the disc with a lint-free, soft, dry cloth, wiping in straight lines from center to outer edge. Never use solvents or abrasive cleaners.

Playing the Game

After selecting your game mode, it's time to select your team driver. Each team is represented with their own driver and truck. Each truck has their own features and abilities.

Once you select your driver, you need to choose what type of transmission your truck will have. Choose from Automatic or Manual transmissions.

Next, you get to select the handling of your truck.

Race – provides a balanced truck, ideally suited to precision racing.
Drift – dynamic handling set-up which encourages powerslides.
User – uses the settings entered in the truck set-up screen.

In Single Race, Time Trial, VS Mode and Survival mode you get to select which circuit you wish to race on. You can choose up to 15 different circuits that features they own unique racing experience.

Before racing, you get to select how you wish to start off your race by selecting one of the following:

Playing the Game

Practice: You have the opportunity to practice at each track before racing. There are an unlimited number of laps available.

Qualifying: You have five qualifying laps to improve your starting position on the grid. You take control one corner before the start of the first lap. Afterwards the results screen will display the qualifying times and grid positions.

Race: Races have a rolling start with the trucks in 2 by 2 formations in qualifying order. Pole position is on the inside for the first corner. You cannot control your truck until the countdown has taken place and the race starts. The rolling starts mean that the trucks are often bunched up at the first corner, so try to avoid pile-ups!

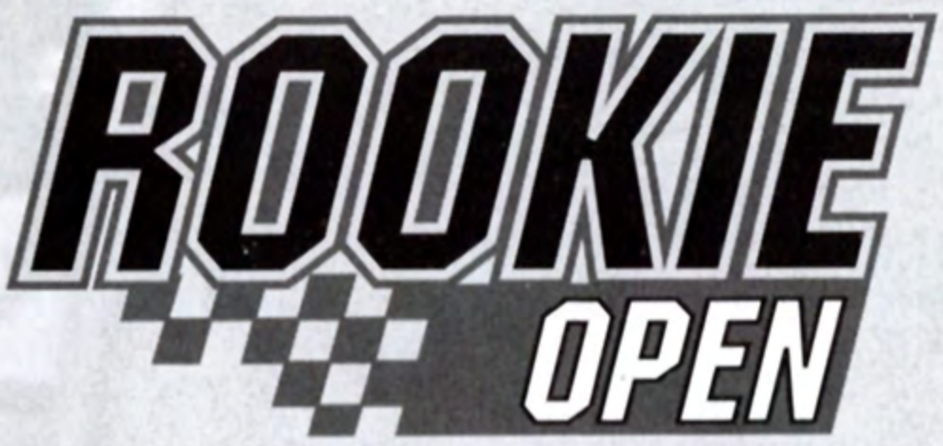
Around each circuit, several marshalls monitor the behavior of the drivers. Excessive contact or driving off the track may be penalized by the computer slowing you down and taking control of your truck for 10 seconds. This will be displayed by a black flag icon on the bottom left side of the game play screen.

Championships

It is your goal to be the Super Trucks Champion! Five championships of ascending difficulty stand in your way.

If drivers finish a championship on equal points, positions are calculated based on number of wins, then positions. If the drivers still can't be separated, the first win of the series is decisive. Trucks and circuits are unlocked by progressing in this game mode.

Rookie Open



This is the only championship unlocked at the start of the game. Difficulty is geared towards someone playing Super Trucks for the first time. The 4 races across US circuits are short at 3 laps each.

Continental Challenge

Unlocked by a podium finish at the Rookie Open. 6 locations across Europe are host to this championship – each race is 4 laps long.

Championships

Thunder Cup

Unlocked by a podium finish at the Continental Challenge. You will need to be good to compete at this level. There are 8 tracks at 4 laps each.

Super Trucks Championship

Unlocked by a podium finish at the Thunder Cup. The Super Trucks Championship has 10 races and each one is 5 laps in length.

Harri Luostarinen Grand Prix

Unlocked by a podium finish at the Super Trucks Championship. This is the toughest championship in the game. The Harri Luostarinen Grand Prix features the 10 toughest CPU drivers racing each of the 15 circuits over 5 laps. Finish top of the final table to be crowned the ultimate Super Trucks racing champion.
